PONTYPOOL PARK

THERE IS MUCH RUMOUR concerning our continued presence here, and the situation has not been helped by some Press reporting, which seemed intent on stirring up feeling against us at every opportunity.

The situation as we see it is that the enjoyment of many hundreds is in danger of being spoiled through the selfish intolerance of a few. If we cannot continue at Pontypool, we could still run our events at an alternative venue in the area, if one of the same standard could be found.

The demand for our sport exists, B.A.R.C. South Wales is the only Club in the area in a position to run these Championship meetings, and we must not lose what we have achieved over the past seven years.

Give us your support now. Fill in the form in the programme, and, better still, write to the Pontypool Council. The Council have been very helpful to us all along, but their responsibility is to the residents they represent, and there must be letters of support to counteract letters of complaint.
